THE CHICAGO SOCIETY'S ŚLEDŹ MARDI GRAS PARTY

This year's annual Chicago Society Śledź will take place at the White Eagle Restaurant and Banquets, 6839 North Milwaukee Avenue, Niles, IL 60714 on Tuesday, February 17, 2015. The festivities will begin with a social hour (cash bar) at 6:00 p.m. followed by a fine dinner at 7:00 p.m. of herring in cream sauce, chubs, rye bread, *biały* (white) *barszcz* soup, potatoes, *pierogi*, *kiełbasa*, *kapusta*, Polish style chicken *de volaille*, green beans almondine, coffee or tea, ice cream, and *pączki*. This festive event is open to members, non-members, family, relatives, singles, and guests. Dinner will start with *śledź* (herring) as an appetizer.

After dinner, the traditional pageant representing Śledź will be held followed by the crowning of St. Joseph for 2015. The gentleman selected acts as our chaplain at Chicago Society meetings and at special occasions, leading those present in an appropriate prayer. The celebration of Śledź is the Chicago Society's version of Christian and Polish traditions that date back centuries. It is a celebration of carnival, or *Mardi Gras*—the period immediately preceding Lent. Following our unique pageant will be an open bar and raffle with prizes. The cost is \$40.00 per person.

For reservations or information call Brother Frank Czaja at (312) 520-6144 or (708) 425-6144 or purchase your tickets online through PayPal at <http://www.chicagosocietypna.org/payments.html>.

FEBRUARY MEETING SPEAKER (H2O)

Brother Charles Komosa has arranged for Ms. Mariyana Spyropoulos, President of the Metropolitan Water Reclamation District of Greater Chicago, to be our featured speaker at the February General meeting. She was appointed to her post in 2009 and was elected in 2010. She was elected as Chairman of Finance in January, 2013, and Board President in January, 2015. President Spyropoulos serves as Chairman of three committees: Judiciary, Real Estate Development, and Pension, Human Resources and Civil Service. She also serves as a Trustee on the Pension Board. In January, 2011, the Board of Commissioners appointed her to the Public Building Commission.

President Spyropoulos received her law degree from The John Marshall Law School and her MBA from Loyola University Chicago. She also completed graduate work in American government at Georgetown University, Washington, D.C. With her attorney experience, she brings a unique legal and business perspective combined with environmental activism. She has spoken to many community groups on environmental and water issues.

Brothers

I would like to thank everyone who attended this year's Inaugural Ball and especially Brother **Ro** and Chris **Matuszczak** for organizing such a special event. We had over 200 people in attendance, which is one of our larger inaugural balls in recent memory. In attendance for dinner we had Toni Preckwinkle, President of the Cook County Board of Commissioners, Assessor Joseph Berrios, Commissioner Dan Patlak of the Cook County Board of Review, Alderman and Vice Mayor Ray Suarez of the 31st Ward, Alderman Ariel Reboyras of the 30th Ward, Alderman John Arena of the 45th Ward, Skip Saviano, President of Elmwood Park, and Arlene Jazierny, Mayor of Harwood Heights. The judiciary was also well represented by our Brother **James P. Pieczonka**, Judge Diann Marsalak and her father retired Judge **Edward Marsalak**. And a special thank you to my fellow law school classmate, retired Judge John Wasilewski who administered the oath of office to the officers and directors. John and his son Ed have recently submitted their applications for membership.

The highlight of the evening was the presentation of the Persons of the Year Award to Brother **Frank Spula**, President of the Polish National Alliance and President of the Polish American Congress, and Brother **Andrew Przybylo**, the Mayor of Niles and co-owner of the White Eagle Banquets and Restaurant.

And finally, I would be remiss if I did not thank my pastor, Fr. Robert Fedek of Our Lady of Victory Church who gave the invocation before the meal. Fr. Robert had a business background in Poland before coming to the United States and becoming a priest. I believe Father Robert would make a good member and possible spiritual advisor.

The theme of my remarks addressed the need for participation by all of our members. The Chicago Society is only as good as the total sum of its members. I am proposing the formation of an Under 40 group to bring in younger members with new ideas. I will be calling upon our members throughout the year to ask them for their time, talent and participation in the Society's activities.

With that being said, our next annual event is the traditional *Śledź* festivities and dinner to be held on February 17, 2015, at the White Eagle Banquets and Restaurant. It should be a fun evening with a pre-Lenten Mardi Gras pageant and the naming of our St. Joseph.

But, just as exciting, come and see who will be this year's Devil and Father Time! Buckle up and put on your helmets, the ride maybe a little bumpy at times, but we are going to have an exciting year of activities for all our members and their families.

Again, this is your Society, and I'm always willing to hear your concerns. My phone number is 847-456-0717 and my email is hogski@hotmail.com.

Fraternally,

Brother Ted Makarewicz

DON'T MISS THE ŚLEDŹ ON FEBRUARY 17

Dear Brothers,

I will remain as the editor of the Chicago Society *Forum* for another year, as I resigned my position as Civic Vice President in charge of arranging the general meeting speakers. Brother **Robert Groszek** was appointed as Civic Vice President by President **Ted Makarewicz** and unanimously approved by the Chicago Society Board at our February board meeting. Great to have new members on the board like Brother **Peter Dykas**, Director of Personnel, Brother **Mark Pasiaka**, Director of Public Relations, and Brother **Andrew Zapalski**, Director of Finance. Brother **Ted Makarewicz** is planning several new ideas for the Chicago Society in the upcoming months.

Please remember that Monday, March 2, 2015, is the official State of Illinois observance of General Casimir Pulaski Day. The Polish Museum of America will have its annual Celebration of the Pulaski Day from 10:00 a.m. until 2:00 p.m. the same day at the museum. Eat and offer your loved ones *paćzki* especially on Fat Thursday, February 12, and Fat Tuesday, February 17, 2015! Preorder your *paćzki* from our brother member **William "Bill" Wojcik**, owner of **Laramie Bakery** at (847) 404-8806. I usually order about 100 of his gourmet chocolate, strawberry cheese cake, or many of the other *paćzki* his bakery makes, and give them to my family and friends. They all rave and want to know where I get the over sized *paćzki*.

Happy Valentine's Day to all the wonderful wives, girlfriends, and/or companions of brother members. Also - Special Valentine's Day wishes to my wife Agata - for marrying me on February 14, 2003, and giving us the precious gifts of Charley & Alex!

Fraternally, Brother Charles Komosa

FEBRUARY SPEAKER (CONTINUED FROM PAGE 1)

miles and provides wholesale wastewater treatment for over five million residents in Cook County, Illinois. The District operates seven wastewater treatment plants which treat one billion gallons per day. The District also provides regional storm water services. To understand the challenges involved in managing storm water and wastewater for five million Cook County residents, it is important to have an understanding of how the combined sewer system works. The entire Chicago land region developed on a flat marshland. In the past, water could gradually soak into the ground in open areas that are now covered with driveways, streets, parking lots, and buildings. Today, an estimated 42% of Cook County is impervious surface, so water cannot be absorbed. With more frequent 100 year storms happening, flooding is a major issue throughout Chicago land. Ms. Spyropoulos will give a PowerPoint presentation to help us better understand how the combined sewer system operates and discuss the work the District has underway to help reduce basement backups.

The February general meeting will be held on Wednesday, February 18, 2015 at the White Eagle. The dinner menu for the evening includes Cream of Chicken soup, Pepper Steak and Roast Chicken, Mostaccioli, a garden variety of vegetables and *kolaczki* for dessert. The social hour begins at 6:00 p.m. and dinner is at 7:00 p.m. Please call Brother **Ro Matuszczak** at (847) 635-0883 or send e-mail to meeting@chicagosocietypna.org for reservations.

Brother **Komosa** then nominated, with unanimous board approval, Brother **Robert Groszek** to serve as Foundation Advocate, a nonvoting position, to fill the vacancy of Brother **Ted Makarewicz** as he transitioned to a Foundation Board member. Brother **Komosa** then nominated Brother **Ron Olech** to continue to serve as the Foundation's accountant. The next meeting of the Chicago Society Foundation will be held on April 27, 2015. The Chicago Society's Annual Inaugural Ball and Installation of Officers was held on Saturday, January 31, 2015, at The Elmcrest located in Elmwood Park, Illinois. The evening was beautiful and one to enjoy the warmth of camaraderie. The festivities began with Alexandra Podowska leading the guests in the National Anthems of the United States of America and the Republic of Poland. Incoming president's remarks were made by **Thaddeus Makarewicz**. Dancing immediately followed to the music of The Music Company.

In the President's Column, there is a listing of the dignitaries present. Special thanks to Chairman **Ro Matuszczak**, his wife, Chris, who truly extended herself, to **Charles Komosa**, National Secretary of the Polish National Alliance, and **T. Ronald Jasinski Herbert**, co-chairpersons of the Inaugural. It was the effort of the above named that made for a successful and enjoyable event.

ART DECO POLAND 2 TRIP MAY 2015

POLAND! Home to 13 UNESCO World Heritage Sites! Imposing Castles! Lovely Scenery! Quaint Villages! Forest and Mountains! Folklore! History! Art Deco??? Yes! Poland adopted the style after a successful participation at the 1925 Paris Exposition.

In 1926 the port of Gdynia was opened. Construction of districts and individual structures were found in various cities. Polish artists created works that are still admired. Polish posters of the inter-war period were on the cutting edge. You can discover this aspect of Polish culture on the Art Deco Poland 2, May 09- 24, 2015 trip. This trip is a follow up from the success of the first trip in 2010 when Deco devotees (4 from Australia, 6 from Canada and 16 from the USA) visited six cities in Poland, highlighting their Art Deco sites.

Poland is still a bargain in Europe. The trip is scheduled for mid-May 2015, before the tourist high season, but still in pleasant travelling weather. Package tour prices are based on double occupancy, but single supplement is available. The land trip price includes: hotel accommodations in 4 and 5 star hotels, buffet breakfast daily, 6 dinners, air-conditioned motor coach, English-speaking tour escort, English-speaking guides in each city and admission to all attractions in the program.

Because of the various locations that people come from and their ability to use air mileage, travel to and from Poland is on your own. A certain amount of seats from Chicago will be reserved. Please contact tour organizer Jan Lorys who is Polish bilingual and bicultural. He is an avid historian and traveler who has organized group tours to Poland since 2001. For further information on pricing and itinerary e-mail janlorys@yahoo.com or call (773) 763-4300.

NEWS BRIEFS

Prepared and Distributed by the
Polonia Media Network

The Museum of Polish Vodka is set to open in 2017 in Praga, a trendy location in the Polish capital, in two buildings left over from the former Koneser Distillery. Visitors will immerse themselves in the history of Poland's favorite spirit in five galleries. The development of the area will also include new cafes, boutiques, a gallery and apartments.

Poland's population growth rate was positive in 2014, according to the latest data of the Central Statistical Office (GUS) data. According to recent estimates, Poland will record some 380,000 births, up from 360,400 forecast by GUS back in October and 370,000 deaths, down from 384,000 previously forecast by GUS. Experts ascribe greater birth rate to recently introduced one-year-long paid parental leaves.

Polish movie theaters sold a record high 40 million tickets in 2014, helped by strong presentations of Polish films. The sector sold 38 million tickets in eleven months and the latest part of the Hobbit franchise helped boost sales to beat the 2009 record of 39.2 million tickets. The year was marked by strong sales of tickets for Polish films, which constituted some 35% of total sales.

Poland has announced plans to wage war on its quickly growing wild boar population after numbers of the feral animal increased by 150% in just 10 years. Foraging boars have become such a familiar sight in city suburbs as they target garbage cans for food that experts have warned they now pose a danger to the public. The Polish Hunting Association estimates that boar numbers have now reached 300,000, and without check the number will carry on growing. In response the government is preparing to relax hunting restrictions in an attempt to take a chunk out of the boar population. Polish boars have enjoyed a bonanza owing to a series of mild winters and increasing numbers of farmers growing more corn, a favorite boar snack, which has allowed them to fatten, breed and flourish.
